

# Summer Reading - 2020

Join the Library Google Classroom with the codes:

**6th Grade 2020-2021: jdb6czc**

**7th Grade 2020-2021: zfy7drj**

**8th Grade 2020-2021: pggucr**

This summer is all about choice! Be sure to choose books that you have never read. You will be required to take AR tests on these books when you return to school next year. Do NOT AR test on these books from home over the summer. Go to [www.arbookfind.com](http://www.arbookfind.com) to ensure the books you choose have AR tests before reading the books. Also, the books chosen must be a middle school level book or above. Please email the title and author of a book to Mrs. Carscadden at [jjcarscadden@caddoschools.org](mailto:jjcarscadden@caddoschools.org) if you are uncertain about a reading level of a particular book. Don't forget to join the Library Google Classroom using the code above.

## Enriched students

You will read TWO books this summer. Choose one title from the 2020-2021 LYRC nominated title list below. Your second choice can be any middle school level or above book.

## Gateway students

Gateway students will read THREE books this summer. Choose one title from the 2020-2021 LYRC nominated title list below. Your second and third choice can be any middle school level or above book.

## 2020-2021 LYRC Title List 6-8th Grade

Benefits of Being an Octopus, The by Ann Braden

Boy Bites Bug by Rebecca Petruck

City of Ghosts by Victoria Schwab
